

# Curriculum Vitae:

Cyro Takano  
University of Sao Paulo  
Brazil

Associate Professor; Extractive Metallurgy;pyrometallurgical processing; Metallurgical and Materials Eng Dept of the University of Sao Paulo

---

## SUMMARY

Main research lines: Agglomeration, Reduction & Refining of Metals **WORK**

## EXPERIENCE

1976-1980 - Head of Powder Metallurgy Laboratory, I.P.T.

1980-1989 - Projects Development Manager, CBMM

1989-1992 - Technology of Self-Reducing, TECNORED, President

Since 1967 at the Department, teaching graduate and undergraduate disciplines at:

- Principles of Extractive Metallurgy
- Refining of Steels
- Metallurgical raw materials preparation processes
- Powder metallurgy
- Feasibility of metallurgical projects

## EDUCATION

Metallurgical Engineer, Universidade de Sao Paulo, Brazil

MSc in Industrial Engineering, Stanford

Doctor in Metallurgical Engineering, Universidade de Sao Paulo, Brazil

## EXTRACURRICULAR ACTIVITIES

More than 60 papers published in the areas of:

- Agglomeration of ore
- Reduction
- Refining of Metals
- Powder metallurgy

## LANGUAGES

Native Portuguese speaker

Understands and speaks English

Understands and speaks Japanese
