

Dear colleague,

On behalf of Sir Dr. Ruggero Maria **Santilli** (Hadronic Technologies Corporation, United States), Dr. Anastassios **Bountis** (University of Patras, Greece), Dr. Pinchas **Mandell** (Family of Israel Foundation, Israel), Mr. Mike **Mikalajunas** (CIME, Canada), Dr. Ephraim **Suhir** (Bell Laboratories, Murray Hill, NJ, United States), and Dr. Thomas **Vougiouklis** (Democritus University of Thrace, Greece), co-chairs of the **Rowlands International Symposium on Sustainable Mathematics Applications** (7th Intl. Symp.) (<https://www.flogen.org/sips2024/summit.php?id=38>), in my capacity as President of SIPS 2024 (Sustainable Industrial Processing Summit), I am personally inviting you to participate as an author/speaker dedicated to honoring the lifetime achievements of **Prof. Peter Rowlands**. Prof. Rowlands is a very well-known professional with deep impact in mathematics and its applications for sustainable development. This major symposium focuses on mathematics and its application in physics, chemistry, engineering, cosmology, superconductivity, and biology, mathematics and new “Santilli iso-, geno-, hyper-, and isodual-numbers”, “Hadronic Mechanics”, an expanded quantum mechanics, “Hadronic Chemistry”, an expanded quantum chemistry, and novel mathematical, physical, and chemical advances for the achievement of clean coal combustion, new gaseous fuels with complete combustion. These and many others are among the topics of the symposium.

This symposium will be held as part of SIPS 2024, an annual multidisciplinary summit, organized by the not-for-profit corporation FLOGEN Stars Outreach ([www.flogen.org](http://www.flogen.org)), which is dedicated to achieving sustainability through science and technology applied in various fields. It incorporates summit plenary lectures from well-known speakers that address the link between various domains in the pursuit of sustainable development, as well as specific scientific symposia featuring specialized presentations in a specific domain, with the same goals in mind. The symposium and overall summit will be held in Crete, Greece from October 20 – 24, 2024 in *Out of the Blue Resort* with the participation of numerous Nobel Laureates and many Distinguished Guests. It features about 50 scientific and technology symposia covering various distinguished fields. Academics,

Engineers, Managers, Directors, CEOs, Medical Doctors, Lawyers, Economists and Politicians will also be participating.

Please submit the abstract using this link:

[https://www.flogen.org/sips2024/abstract\\_submission.php?p=35](https://www.flogen.org/sips2024/abstract_submission.php?p=35)

Other additional information about this symposium, SIPS 2024 can be found in the official invitation: [https://www.flogen.org/sips2024/pdfs/Mathematics\\_General\\_Author\\_Invitation.pdf](https://www.flogen.org/sips2024/pdfs/Mathematics_General_Author_Invitation.pdf)

The papers will be double peer reviewed and published in the official Publication entitled: "Rowlands International Symposium (7th Intl. Symp. on Sustainable Mathematics Applications)" containing ISBN and ISSN numbers and indexed by Google Scholar joining the existing 3000 SIPS articles (<https://bit.ly/3qRrdGt>). Furthermore, many papers upon significant will be subsequently published as part of special volume of relevant Journal dedicated to this symposium.

As an invitee, if you prefer to deliver a presentation with a wider scope for one of the listed topics, or on a new specialized topic of your choice, we would be pleased to take it into consideration for a possible nomination as an Invited or Keynote Lecture.

In this case, please send us an email at the same address, which should indicate your interest and include a draft abstract.

Highlights of FLOGEN and SIPS activities <https://www.flogen.org/?p=105>

Hall of Fame: <https://www.flogen.org/?p=92>

\*An overview of previous SIPS held at various locations all over the world (USA, Mexico, Turkey, China, Brazil, Cyprus, Thailand, Panama) can be found here: <https://www.flogen.org/?p=32&an=2002>

The symposium is the optimal conference to present your most recent work, listen to the latest achievements of your colleagues, and interact with well-known experts from diverse fields of industry, academia, and politics. We hope your participation will enable your organization to improve efficacy and implement the best sustainable research and industrial practices.

It would be a great pleasure to have you join us. We are looking forward to hearing from you.

Dr. Florian Kongoli  
President SIPS 2024  
Organizing Committee
