

Curriculum Vitae of Haruhiko Inufusa

Name: Haruhiko Inufusa

Position: Specially Appointed Professor, the Division of Antioxidant Research, Gifu University.

Phone: +81 58 230 6548

Fax: +81 58 230 6549

E-mail: i@antioxidantres.jp

Address: Gifu University, 1-1 Yanagido, Gifu City, Gifu Prefecture, 501-1194, Japan

EDUCATION

1982: Graduated from the Faculty of Medicine, Kinki University.

1988: Completed the Graduate School of Medicine (Surgical Sciences) at Kinki University.

1988-1990: Postdoctoral Fellow in the Department of Biochemistry at Washington State University, USA.

EXPERIENCE

1991-2000: Lecturer, Faculty of Medicine, Kinki University

2001-2003: Professor, Clinical Medicine in the Faculty of Medicine, Kinki University.

2001-2003: Professor, Clinical Nutrition in the Faculty of Medicine, Kinki University.

2004: Visiting Professor, the European Institute of Telesurgery, University of Strasbourg.

2004: Visiting Professor, the Department of Surgery, University of Barcelona.

2005-2006: Head of the Advanced Medical and Medical Economics Department, Faculty of Medicine, Kinki University.

2005-Present: Chief Researcher, TIMA Establishment.

2007-2013: Representative Director, Brookfield Medical Corporation

2011-2013: Representative Director, TIMA Japan Corporation

2013-Present: Specially Appointed Professor, the Division of Antioxidant Research, Gifu University.

2020-Present: Chief Researcher of the Antioxidant Research Laboratory at the Louis Pasteur Center for Medical Research.

AWARDS

1994: Research Grant Encouragement Award, Osaka Anti-Cancer Association (FY1993)
1997: Research Encouragement Award, Japan Society of Gastroenterology
1998: Kinki University Medical Society Award
2018: Geim International Innovation Award at the 8th SIPS 2018 (Sustainable Industrial Processing Summit)
2022: Murad International Life Improvement Award at the 10th SIPS 2022
2024: Top Downloaded Papers of IJMS in 2023 (<https://doi.org/10.3390/ijms241613018>)

ACADEMIC AND SOCIETAL ACTIVITIES

Former Councilor, the Japanese Society on Thrombosis and Hemostasis
Former Councilor, the Japan Society for Endoscopic Surgery
Former Councilor, the Japan Society of Coloproctology
Former Specialist and Former Councilor (Kinki Regional Society), the Japan Society of Gastroenterology
Certified Physician, the Japan Surgical Society
Certified Physician, the Japanese Society of Gastroenterological Surgery
Member, the American Association for Cancer Research (AACR)
Member, the Japan Society of Anti-Aging Medicine
Member, the Society for Free Radical Research Japan
Director, the Japanese Society of Brain Supplement (Chair of the 3rd Annual Conference)
The Japanese Society of Brain Supplement Specialist/Meister
Specialist in the prevention of dementia, the Japan Society for Dementia Prevention

SYNERGISTIC ACTIVITIES

Guest editor of International Journal of Molecular Sciences Special Issue "Antioxidants in Health and Diseases", 2024.
Guest editor of International Journal of Molecular Sciences Special Issue "Oxidative Stress and Cell Damage", 2024.

RESEARCH TOPICS FOR COMPETITIVE FUNDING

1997-1999: 新しいプロコアグラント CCA-1 の酵素活性を調節する糖鎖構造の解析
(JSPS KAKENHI Grant Number JP09671346)

2001-2003: 直腸癌手術における超低位吻合と排便機能の改善 (JSPS KAKENHI Grant
Number JP13671357)
